Forecast For East of England
Issued by Met Office Exeter
at 1600 on Saturday 11 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry but largely cloudy tonight.

This Evening and Tonight:
There will be a few spells of late sunshine across the south this evening before cloud cover thickens overnight, but it should stay dry. Light winds throughout. Minimum temperature 11 deg C (52 deg F).

Sunday:
On the cloudy side early and late, but with some intervening warm sunny spells likely, perhaps sparking one or two further light showers. Winds will be light. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
Changeable through this period, with relatively high uncertainty. Perhaps fine in east Monday, but a risk of rain in the west. Likely staying unsettled hereafter, with further rain and showers.
